Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ___ XX ___ Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning ___ 7/2023 ___, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
 10. In accordance with 24 CFR § 5.105(a)(2), HUD's Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
 11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
 12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
 13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
 14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).

 16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
 17. The PHA will keep records in accordance with 2 CFR 200.333 and facilitate an effective audit to determine compliance with program requirements.
 18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
 19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
 20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
 21. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.

This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of §§ 903.7(o)(1) and 903.15(d) and: (i) examines its programs or proposed programs; (ii) identifies any fair housing issues and contributing factors within those programs, in accordance with 24 CFR 5.154; or 24 CFR 5.160(a)(3) as applicable (iii) specifies actions and strategies designed to address contributing factors, related fair housing issues, and goals in the applicable Assessment of Fair Housing consistent with 24 CFR 5.154 in a reasonable manner in view of the resources available; (iv) works with jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; (v) operates programs in a manner consistent with any applicable consolidated plan under 24 CFR part 91, and with any order or agreement, to comply with the authorities specified in paragraph (o)(1) of this section; (vi) complies with any contribution or consultation requirement with respect to any applicable AFH, in accordance with 24 CFR 5.150 through 5.180; (vii) maintains records reflecting these analyses, actions, and the results of these actions; and (viii) takes steps acceptable to HUD to remedy known fair housing or civil rights violations. impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. ([24 CFR §903.7\(o\)](#)).

C.4 Challenged Elements. If any element of the Annual PHA Plan or 5-Year PHA Plan is challenged, a PHA must include such information as an attachment to the Annual PHA Plan or 5-Year PHA Plan with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public.

D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the Annual PHA Plan. The Annual PHA Plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public for serving the needs of low- income, very low- income, and extremely low- income families.

Public reporting burden for this information collection is estimated to average 6.02 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Meeting Agenda

1. Introductions
2. Review Meeting Minutes
3. Review Annual Plan
4. Other Business

Crystal Jones called the meeting to order at approximately 1:08 pm. Dave Foss was established as the facilitator of the meeting. All in attendance introduced themselves.

Dave started the meeting with a statement regarding the sentiment surrounding BHA. That he is noticing changes around the building and wants to continue working to eliminate the “us vs. them” mentality that had been prevalent in years past. Crystal encouraged RAB members to ask tenants with questions or concerns to reach out to BHA directly and introduced the new 24-hour hotline cards.

Memorandum of Understanding

Sue Miller read the Memorandum of Understanding as had been previously voted on to read before each meeting.

Review Meeting Minutes

Susan Miller requested clarification about requesting tenant participation funds and how the use of a request form would create more “red tape.” Crystal Jones clarified how the process would change and add more time to the approval process than is currently required. Susan asked for amounts of supplies purchased this fiscal year, Crystal offered to bring current budgets to each RAB meeting in the future.

Dave Foss motioned for the meeting minutes to be approved, the motion was seconded, movement passed unanimously.

Annual Plan Summary

The Annual Plan Summary for 2024 was presented on screen, Crystal Jones reviewed each section.

Charles Messing asked for clarification about no new activities. Steve Murray shared that this meant that no new buildings would be purchased or constructed in the FY '24. Various updates and repairs to existing BHA properties scheduled for this fiscal year were shared with RAB members.

Definitions and abbreviations included in the Annual Plan Summary were clarified to RAB members.

Steve Murray shared that section D will be revised in the coming years as it does not meet BHA's stance on furthering fair housing.

Dave Foss proposed that this year's Annual Plan Review be accepted and that next year RAB members will look for the updated language for section D. Frank Davis seconded. The Annual Plan Review was approved unanimously.

Other Items Discussed

Steve and Crystal clarified the different avenues and processes to obtaining a housing choice voucher when living in a project-based unit. RAB members and BHA staff discussed how providing further education to BHA tenants regarding their paths to a voucher would be helpful.

Steven Murray shared that the timeline for securing an apartment with the Section 8 Voucher has been extended due to the limited rental market. The previous extension was 90 days maximum, it can now be extended to 180 days.

Dave Foss shared his feelings about the surveys that a local agency recently requested tenants complete. Crystal Jones clarified that BHA did not receive results from the survey as it was completed by an outside agency.

Cathy Foley requested that future RAB meeting notes have action items listed.

Frank Davis shared that he believes BHA should be looking into solar energy and adapting the properties to accommodate the new technology. He proposed that a climate change committee be created at BHA. Dave Foss requested that this be added to the agenda for the last RAB meeting of 2023.

Charlie Messing shared an update from the Burlington Aging Counsel; that the request he made was that the sidewalks be fixed throughout the city.

Dave Foss brought up snow removal of sidewalks around Decker Towers, stating that only some are being plowed. Maya Boucher said she would reach out to the contractor and ensure all sidewalks were being addressed. BHA staff shared that the contractor this year is new and may need additional oversight so encourage tenants to reach out to Maya if they see any issues needing follow up. Susan Miller shared that she had an encounter with one of the contractors who said “you couldn’t pay me to live here.” Maya said she would find out which company this individual worked for and would follow up.

Crystal Jones asked if RAB members would like name plates or other RAB swag provided by BHA. Crystal provided multiple options and offered to mock up a logo to review at next meeting.

Crystal Jones asked if RAB members would be comfortable with BHA board members attending the next RAB meeting. All agreed that BHA board members were welcome. Dave requested that the next meeting be 2 hours as the meetings often run over the allotted time.

RAB members discussed plan to invite other BHA tenants and voucher holders to future RAB meetings. Susan Miller shared that RAB members would be available to table at BHA events. RAB members agreed to meet outside of regularly scheduled RAB meetings to develop and execute a recruitment plan.

The meeting was adjourned at 2:45 pm.
