WITH PROJECT-BASED VOUCHERS***

Housing Developments with Project-Based Vouchers

Developments with an accessible unit are indicated with an ♿.

The Burlington Housing Authority has contracts with certain affordable housing developments for project-based vouchers. The subsidy stays with the apartment. A family in a project-based unit may be eligible for a tenant-based subsidy after their lease term ends, provided they are in compliance with their Family Responsibilities, and a subsidy is available.

The following developments currently have project-based subsidies. If you are interested in any of these developments and meet the eligibility requirements for the development, please check the appropriate box to be added to the waiting list. Please note that some developments have referral requirements from other agencies, eligibility requirements and preferences in addition to the Section 8 HCV program requirements.
